Winter 2017

Dear Camp Sunrise Campers and Parents/Guardians,

Camp Sunrise 2017 registration time is upon us. We have been working diligently to ensure this summer will be amazing! Staff and volunteers are already making commitments to be here for Camp Sunrise 2017.

We offer campers a variety of activities including climbing on our climbing tower, canoeing, bowling, hiking, campfires, and more. Be sure to check off on the Camper Information Sheet all the activities in which the camper would like to participate. In addition, this year we are pleased to once again offer two trips to the nearby Winslow Therapeutic Riding Center (Week 1 and Week 4). If you are interested in participating in this optional outing, please read and fill out the additional enclosed registration form, and be sure to include it with your registration materials.

Enclosed is a registration packet containing a Camp Sunrise Registration Form, Health Form, Camper Information Sheet, Winslow Registration forms, and a Medication Authorization Form. A Registration Quick Check list is also enclosed so that you can be sure you have completed all necessary paperwork for registration. Payment in full is due at the time of registration. ALL needed forms are to be completed and mailed to the Camp Sunrise Registrar; however, the Authorization for Administering Prescription Medications Form may be brought with you when you check in at camp. Any camper who lacks the Medication Authorization paperwork cannot be accommodated at Camp Sunrise, and no refunds will be given in this case. Please call or email the Camp Registrar with any registration questions.

After we review your information, we will notify you of your acceptance into the program. Notification of review/acceptance should take no longer than three weeks. Acceptance is made on a first-come, first-served basis upon the complete submission of the above forms.

***Due to increased interest and limited availability, campers will be able to register for no more than **TWO** weeks of Camp Sunrise during the initial registration period (if space is available). The initial registration period will last until April 14th. Any campers wishing to register for more than two weeks will be placed on a waiting list for additional weeks. After April 14th, registration requests for additional weeks will be processed in waiting list order.*

INCOMPLETE OR PARTIAL REGISTRATIONS WILL NOT BE CONSIDERED. (If we are unable to accommodate the camper, payment will be returned.) If payment is to be made by an agency, please provide us with all information.

We look forward to seeing you this summer. As always, please do not hesitate to call if you have any questions.

Sincerely,

Karyn Flores
Camp Registrar
